Summary of Conversation:

I, Rebeca Wenner left a message for Mr. Rochester at about 7:50 am on 4/27/2017. Mr. Rochester returned my call within a few minutes. I asked Mr. Rochester for the last name of the person who was on-site during our April 4, 2017 inspection. Mr. Rochester responded that was Ray Riley.

I also asked Mr. Rochester for a good mailing address so that I could send him a copy of the report that would include the analytical data. Mr. Rochester told me to send it to the facility address, 1220 Steuben Street, Sioux City, IA 51105. I asked Mr. Rochester if he was still getting mail there and he said "yes".
